Professional Experience

Full-Stack Developer   **Prishtine**
Foleja   12/2022 – Present

Shopware Development Experience:

- Developed custom Shopware plugins, including a voucher system that grants a free voucher if an order gets canceled.
- Maintained dynamic and flexible content using Custom Fields, Snippets, and Plugins to avoid hardcoded content.
- Implemented and managed payment gateway integrations through custom Shopware plugins.
- Customized Shopware templates using Twig to enhance user experience and functionality.
- Managed Git workflows (Bitbucket), handling pushes, merges, and branch management for structured development.
- Optimized SQL queries and fixed backend bugs to improve Shopware performance.
- Integrated and worked with various APIs to extend Shopware's functionality.
- Developed custom Vue.js components for the Shopware admin panel to enhance backend usability.
- Migrated a custom Shopware theme with complex functionalities from Shopware 6.4 to 6.5.
- Upgraded Shopware version from 6.4 to 6.5 using Composer, ensuring compatibility and stability.
- Improved eCommerce workflows, ensuring smooth order processing, checkout optimization, and plugin compatibility.
- Debugged and resolved Shopware core issues, ensuring stable platform performance.

Junior Front-End Developer   **Prishtine**
Tectigon L.L.C   01/2022-12/2023

- Developed and maintained websites using HTML, CSS and Javascript to create visually appealing and interactive user interfaces
- Utilized Wordpress to design, customize and manage content for clients, ensuring a user-friendly and scalable web presence.
- Troubleshoot and resolve technical issues, ensuring websites operated smoothly and securely.
- Applied best practices in front-end development, optimizing web pages for speed, performance and cross browser compatibility.

Chief Executive Operative   **Prishtine**
Pasha Inspect shpk   03/2018 – 06/2022

- Licensed Inspection for the safety and comfort of Elevators, Escalators, and Winches.

Education

Mechatronics (UBT - University of Business and Technology)
Bachelor of Mechatronics   09/2021 - Current

Data Engineer (UNDP - AUK)
- Learning about Databases,
- SQL,
- Python,
- NoSQL,
- MongoDB, Redis.   05/2023-11/2023

Deep Learning A-Z 2023: Neural Networks AI&ChatGPT [2023]
- Learned about Deep Learning algorithms and models,
- Real life practice of AI algorithms
                                                           05/2023-06/2023

Machine Learning A-Z 2023: Neural Networks AI&ChatGPT [2023]
- Machine Learning Algorithms,
- Real life practice of AI algorithms,
- Data Preprocessing,
- Python.
                                                           04/2023-05/2023

Technical Skills

Machine Learning	HTML/CSS	PHP	Wordpress
Deep Learning	Javascript	SQL	Wix Editor
Python	VueJS	Git	Shopify
Data Processing	Twig	Linux	SCSS
